

Please fill out the following questionnaire in essay form (at least a complete paragraph for each question) about your internship experience. Keep in mind that you should not divulge any classified information.

1. Where did you complete your internship?
2. Please describe your duties as an intern.
3. Please list anything extracurricular that you were a part of because of your internship (i.e. – you met someone important, you toured an agency or site related to your internship, you attended a Congressional hearing, banquet, etc.)
4. In what ways, if any, do you think this internship could be improved?
5. What was your favorite part about your internship?
6. What was your least favorite part about your internship?
7. Please describe something new that you learned as a result of your internship.
8. Please describe something that you think you could have done better at your internship.
9. Please describe ways in which you have improved because of your internship.
10. Would you recommend this internship to other students? Why or why not?

When you have completed this form, please return your answers to Wesley Yates at w Yates@olemiss.edu.
